

19 members of Stockport Hatters Internet Guild took part in a 75th birthday challenge sleepover at Childrens Inn, Rowarth on 10-11 February 2018. The following is an account of what they did.

We did the t.r.e.f.o.i.l challenges and 17 members made their promise

For the challenge we did the following activities

T - teamwork - organised a party

R - remember - each member brought a memory from their guiding history and we enjoyed talking and listening to the memories

E - explore - we cleared the overgrown brambles in the garden at the inns and planted a guiding spirit rose and some bulbs

F - fun, food & friendship - we made cocktails and mocktails

O - outdoors - we went for a walk

I - international - we each took an international dish for a thinking day pot luck supper (our guild was also 1 on thinking day)

L - learn - one of the guild members taught us how to make sugar paste roses which we used to decorate the birthday cake

We had a brilliant time and 17 members of the guild also made their promise, it was a really special weekend
