

**Climb Trefoil mountains, search high and low.  
Find exciting programmes for the guilds you  
know.**

**Ask Trefoil members, hear what they say,  
Use their great ideas, 'til we make their day...**

***A day that will lead to defining new ways,  
To enthuse every member,  
For the rest of their days.***

**Climb every mountain, prize every thought,  
Integrate each challenge,  
Build the plan you sought...**

***Your plan that will make every guild to debate  
Every challenge ahead, as we all celebrate.***

**Climb Trefoil mountains, go forth and shout,  
Welcoming new members,  
Promote what we're about!!**
