

Rosie Spence (in the middle) spotted these photos on the Our Chalet Facebook page... with the caption:

Rosie Spence recently delivered a new Christmas Tree skirt to Our Chalet which was handmade by several Trefoil Guild members in Somerset North, UK.

Thank you all so much, we can't wait to use it at Christmas!

...and below is a photo Rosie took while she was at Our Chalet, of the tea towels which Somerset North Trefoil members sent, being received by one of the kitchen staff there.

Our Chalet uses tea towels in the main kitchen, Camp House and Baby Chalet, and then as floor cloths and cleaning cloths.

"They are always in need of more, so I delivered this batch, and there are more to come from Somerset North Trefoil Guilds."

Rosie.
