This celebration of 75 years of Trefoil Guild begins in a leisurely fashion, by spending four days... visiting two counties and two islands on separate days.. but then the faster paced TREK begins at STEAM, the amazing GWR museum - where the tale is told of the those gleaming giants and the Wiltshire men who built them. There will be a coffee party to celebrate the beginning of the TREK, a launch ceremony, and from that point on the speed - and the steam - increases!

By the time we reach Sunday our machine that is the Trefoil Train Trek will be hurtling (well, travelling anyway...) towards Windsor - only to arrive with a screeching halt at the station, facing the ancient steam train called 'The Queen'. Following the final ceremony of the event there's an option to take a cream tea in the hotel opposite Windsor Castle! Every 'get-together' on the way is a MEET-UP, STEAM-UP! Make sure you get to at least one!

Once you have paid your one-off £5 interest fee (includes the cost of your goody-filled welcome bag), you will be given an opportunity to book your train ticket/s - and join in the fun. Your chairman has the FULL details!! Bring your other half - bring your youngsters, there's lots for everyone to do on every steam journey!

To every corner of SOUTH WEST ENGLAND

the TREFOIL TREK is coming to

'MEET-UP, STEAM-UP' with YOU!
